Una **pregunta musical** suena inconclusa. Puede terminar en cualquier nota excepto la tónica (grado 1). Una **respuesta musical** completa la idea musical. Y siempre termina en la tónica.

Una respuesta *paralela* comienza de la misma forma que la pregunta y después cambia.
Una respuesta *contrastante* comienza distinto a la pregunta musical.

- Escribe respuestas para cada pregunta musical. Las respuestas pueden ser *paralelas* o *contrastantes*.
